Dear Sunit,

Congratulations on receiving an offer of admission from McMaster University.

McMaster is unique in its commitment to innovative and engaging teaching and learning, alongside exceptional research capacity and breadth. Our focus on creating a brighter world can be seen in the many ways we help our students learn and discover their strengths and interests, as well as in the excellent research outcomes our professors transfer to the classroom, our students and the wider world.

We believe that bringing together the best and brightest minds is the spark that leads to great advances. This approach has ensured that McMaster has been ranked as one of the world's top 100 universities for many years. In 2020, McMaster was ranked 69 in the influential Times Higher Education World University rankings and with more than 18,000 universities in the world, this puts us in a very special and respected category.

We invite you to join us and share in this success. Our innovative approaches to teaching will inspire you to develop a passion for discovery that will remain with you for the rest of your life. Taking part in experiential learning opportunities, trying your hand at entrepreneurship or participating in career planning are all part of the distinct and engaging experience we offer our students. Even in a year dominated by the global COVID-19 pandemic, McMaster has remained focused on the learning experience for our students; faculty and staff have worked tirelessly to ensure an engaging and worthwhile learning experience in the virtual environment, and we continue to work creatively and collaboratively to support our students.

As soon as it is safe to do so we look forward to welcoming all our students back to our beautiful, pedestrian-friendly campus, which boasts excellent libraries and learning facilities, a wide-range of modern athletics facilities, and food services that have won awards in Canada and internationally.

McMaster has much to offer and I hope you will choose to join us this Fall as you begin your university journey.

My best wishes in your continued academic and personal success.
