Dear Scholarship Committee Members:

I am writing this reference letter on behalf of Sunit Toor. I've had the pleasure of working with Sunit on our Student Council. She is one of our Student Council Directors. I've also had many interactions with her through my role as a Guidance Counsellor. During this time, I've had the chance to witness her superior work habits and personal qualities in an educational setting. I am happy to write this reference for her.

Sunit has achieved exceptional marks throughout high school, while also becoming involved in the school community. She achieved an average of 95% in her most recent year (grade 11). Sunit's teachers describe her as being a very hardworking team-player, with exceptional attention to detail. She has excellent initiative, and is always looking for ways to improve. Her confidence and drive set her apart from other students.

Sunit is focused on her future goals and is motivated to do well. I am confident she will do well in whatever she chooses to do, as she will work hard and with integrity. I wish her continued success.

Please do not hesitate to contact me should you require further information.

Sincerely,

Julie Senese
