To provide leadership for the continued development and enhancement of the Black community through civic engagement, education, programs, and services and advocate for equity and wellbeing for the Black community in Dufferin County. To be a central hub for resources, tools and programs that are unique to the need of the Black community in Dufferin County.	#1. The mission of the Dufferin County Canadian Black Association (DCCBA) is to exhibit leadership and advocacy, provide relevant education, resources, and training to elevate, nourish and celebrate Black communities in Dufferin County.	(i prefer the first statement. something is still missing..... The Dufferin County Canadian Black Association is to demonstrate leadership, advocate for equity and the well being of the black community, provide relevant education, resources, and training to elevate and celebrate Black communities in Dufferin County. What if we just took off the last sentence in the original mission statement?
	#2. To advance Dufferin County Black communities by delivering programs that support economic development, higher education, and civic engagement.	
	#3. The Dufferin County Canadian Black Association (DCCBA) is dedicated to empowering and sustaining Black communities within Dufferin County through education, advocacy, and civic engagement.	
	#4. The Dufferin County Canadian Black Association (DCCBA) aims to support the growth and development of Black communities by providing relevant educational programs, resources, and advocacy.	
Current DCCBA Vision Statement	Vision Statement Rewrites/Refinements	DCCBA Comments
To develop and foster a socially and economically equitable group that will continue to contribute to the growth and development in Dufferin County and Canada. To have a strong focus on Youth Achievement and Excellence. To partner with government officials (all levels), local businesses & corporations to bring awareness and partnering on issues that impacts the community.	#1. DCCBA envisages a Dufferin County where Black communities have equitable access to all opportunities and resources to improve their quality of life.	what if we simply removed the last 2 sentences from the original vision?

	#2. DCCBA envisions a Dufferin County where there is equitable access to educational and economic opportunities for all members of the Black community.	
	#3. A Dufferin County in which every member of Black communities has access to all educational and economic opportunities.	
	#4. Every member of the Black community has the opportunity to achieve his/her/their fullest potential and participate in and contribute to the growth and development of Dufferin County.	can we revisit the vision and blend the original with #4. I am passionate about the youth achievement piece but i think it is implied through the scholarship and we may be able write it in the about page
