To Whom It May Concern:

It is with much enthusiasm that I recommend Alethia O'Hara-Stephenson for the Youth Advisory Committee.

I have had the pleasure of knowing Alethia for over a year. Having worked with Alethia closely on the Fiddle Parade Committee I have personally witnessed her level of creativity, wit, and analytical thought which was a great asset to the success of the event.

Alethia is also very well known for her community involvement. Her and her husband run very successful drop in programs for the youth in our community. It's truly inspiring to see her undertake the task of managing this program and making it a success.

Alethia's strengths are complemented by her demonstrated leadership skills – She took the extra step to advocate for families in our community by deciding to run in the 2018 election as school board trustee. I can also attest to her passion and drive for the development of our youth and betterment of our town. She strives to bring fresh ideas and table innovative solutions.

If given the opportunity to serve on the Youth Advisory Committee, I would say without hesitation that she will be a great asset to the committee.

Please do not hesitate to contact me should you require any additional information regarding Alethia's candidacy for the Youth Advisory Committee.

Sincerely,
