TO WHOM IT MAY CONCERN

Dear Sir or Madam:

LETTER OF REFERENCE RE. OLUWANIFEMI ABOLARINDE

The above named is a member of Christ Apostolic Church (Bethel) Toronto and Brampton. I write this letter in support of his application for scholarship/award. I am the Senior Pastor in charge of the Christ Apostolic Church Bethel Toronto and Brampton. I have known Nifemi since birth. I have watched him grow through the years and I am delighted to say that I am very happy to see him grow into a responsible, God-fearing, and dutiful young man.

Since the age of 11, Nifemi joined the Music Department of the Church as a volunteer Saxophonist. At a point in time when the church needed a new pianist (after the erstwhile pianist gained admission into the university and had to leave), Nifemi took it upon himself to learn how to play the piano and within a space of about 3 months, took over the position of the church pianist, a position he still occupies. In the summer of year 2020, Nifemi taught children aged 4 to 16 how to play piano and saxophone.

Apart from the Music Department, Nifemi also volunteers in the Children's Department as Sunday School Teaching Assistant, where he helps to teach kids attending Sunday School. In addition to this, he also volunteers in the Media Department where he helps with recording sermons and ensuring that the equipments are functioning well. Nifemi also volunteers at the Welfare Department where he helps with activities relating to our Food Bank Drives and other outreach programs.

Nifemi is a very remarkable, energetic, multi-talented and resourceful young man and he is a great asset to the church community. I am certain he is going to continue to do great and add value to this great nation in future.

I am aware of the financial situation of his family, as his mother has single-handedly taken care of him and his sibling since birth. I would therefore recommend that he be approved for this scholarship/award as it would go a long way in helping him in his academic pursuits.

Please feel free to contact me if you have any questions.

Yours sincerely,

Pastor Dr. Amos Dada PhD.PEng
