

## Letter of Reference for Mr. Graden Grandison

To Whom It May Concern:

I have had the privilege of getting know to Graden over the past year. It has been a joy and honour serving alongside him to help university students and young adults get connected to caring community and experience life transformation through a relationship with Jesus Christ.

Graden has been an exemplary volunteer and discussion group leader at the last two online Alpha courses our Power to Change student group at the University of Guelph has hosted in 2020/2021. His role as an Alpha discussion group leader involved creating a welcoming and safe environment where people could explore and talk about life's biggest questions together. This he was able to do with both wisdom and warmth.

Graden was always punctual for our online Alpha meetings and trainings and was very prompt and professional in all his correspondence. His respectful and caring conduct was noticed and greatly appreciated by all the Alpha leaders, volunteers, and participants.

Having been deeply impacted by his involvement with P2C-Guelph this past year, Graden has agreed to take on additional leadership responsibility in the 2021/2022 school year, serving with our Tech, Alpha, and Deep Chats teams.

He has also been faithfully attending and serving at his home church, Faith Fellowship in Orangeville, with his family for many years.

Therefore, it gives me great pleasure to provide a commendable character and volunteer reference for Mr. Graden Grandison.

Sincerely,

Justin Madonia
